**Maritza East 1 Power Plant 2 x 300MW**

Alstom Bulgaria EOOD, Maritza East 1 Power Plant, Industrial region, 6280, Galabovo, BULGARIA

To Whom It May Concern:

## **LETTER OF RECOMMENDATION**

We, ALSTOM BULGARIA EOOD, would like hereby to express our complete satisfaction with the translation services we received from ALPHA VITAE OOD, a translation company stationed in Stara Zagora, during the entire construction of AES-3C Maritza East-1 Power Plant Project in Bulgaria that took place over the period 2006 to 2010.

We used the services of ALPHA VITAE OOD extensively and they really featured excellent value for money.

We strongly recommend this translation company to any expat companies doing or intending to start business in Bulgaria as trustworthy, competent and well qualified translators, having sound knowledge in various fields, always adhering to the set deadlines and capable of managing large volumes of translations within tight time limits.
