Letter of Recommendation

This is to certify that Messrs ALPHA VITAE Translation Agency have been providing translation services to ENEL Ingegneria e Innovazione SpA – Branch Bulgaria (Formerly ENEL Produzione SpA – Branch Bulgaria) for the whole period of improvement works of ENEL Maritza East III Thermal Power Plant, Mednikarovo.

Alpha Vitae have been provided translation from Italian to English, Bulgarian to English, and vice versa. The translation all the time was within the time frame as agreed by both parties. Alpha Vitae have always impressed us with their professional abilities and the best quality of translation in the market of Stara Zagora.

Some of the translations, which Alpha Vitae executed for ENEL over the period of their services, are as follows:

- Functional descriptions of the various systems and process flow cycles included in the power plant – 1500 pages
- Operation and maintenance manuals of power generation machinery and equipment, FGD plant, motors, gearboxes, pumps etc – over 3000 pages
- Process automation and logic control hardware and software
- Correspondence with Bulgarian National Revenue Agency, the Labor Office, the Immigration and other Bulgarian Authorities;
- Miscellaneous

We wish a lot of success to Alpha Vitae in their future business.

This certificate is issued on Monday the 14th June 2010
